New spa retreat at Brisbane's Sofitel

A steam temple and a Tibetan sacred massage are featured in the new Stephanie's Spa Retreat at Brisbane's Sofitel Hotel. Guests will experience the perfume of fresh flowers, the ambient glow of burning candles, soothing music and the lingering scent of essential oils among the chic design which incorporates glittering chandeliers and stunning imported furnishings.

The Spa Escape includes overnight accommodation for two, one 40-minute essential massage, a nurturing warm oil, Swedish, remedial or deep tissue treatment and buffet breakfast for two from \$274 per night. The Spa Revival includes one 90-minute hot stone massage, with overnight accommodation for two including a bottle of sparkling wine and two buffet breakfasts from \$344.
