Barefoot and pregnant

NICOLE Richie and **Joel Madden** chilled out at the Sofitel last week ahead of Madden's Good Charlotte opening their Australian tour. Madden enjoyed an hour-long massage and the pregnant Richie a manicure and pedicure at Stephanie's Spa Retreat. And they made quite an impression, by all accounts. "They came in unexpectedly, and they looked fantastic. I don't know how they do that with jetlag," said Stephanie's Sandra van Doom. "They spent some time by the pool together. They were very loving, cuddling. Blissful happiness. She gave us her own nail polish to use on her hands, and a bright red polish (rita from Orly) for her toes. She gave me a hug on her way out, and walked out, just like star."
